June 15, 2018

We are pleased to acknowledge that you have passed the Critical Environments Manager – Certification Exam.

It gives us great pleasure to therefore send you the CEM-Certificate which allows you to add the distinct title of ‘CEM’ behind your name on your business cards.

The certificate has a unique CEM-ID number. This is your unique registration number and serves as your identification as a qualified professional.

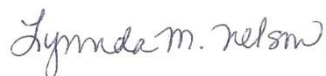

CEM ID No: 534243791589
Expiry Date: June 15, 2021

You can review the status of your certification and maintain your certification at the ICOR Credentialing website: <http://theicor.org/credentialing>. Login using your email address and the password is “resilience.” You can change your password after logging in.

Please feel free to contact us should you have any questions.

Again, congratulations on achieving this distinct level of qualification.

Yours truly,

Lynnda M. Nelson
President
